Dear FLHS Supporters:

It is time to begin working on the 2012 Harvest Drive again and this year marks Harvest Drive’s 20th Anniversary of helping needy families and school children of all ages in Broward County.

Last year over 180 schools participated in Harvest Drive and our efforts assisting 2,000 families (over 6,000 of our neighbors and friends). Naturally, our goal is to have all schools in Broward County and all community and business partners actively participating in our community program.

This will be the third year that Fort Lauderdale High School has been a distribution site for the Harvest Drive for the Broward County schools and we really need your help to make this happen!

We need non-perishable food items (see our attached list), packages of diapers, personal hygiene items, and money for us to supply gift cards for perishable items for Thanksgiving Dinner. This year we need to raise over $7,000 in order to reach our goal of 150 families (approx. cost of $50/ family to purchase the perishable items) from 20 Central Broward County Public Schools.

Businesses, clubs or groups who might have an event coming up might collect money from the event admission to go toward helping us raise funds for perishable food items or could ask for canned foods, personal hygiene items, laundry detergent, or baby item donations at your event.

We have a HD Planning Guide that will help you with ideas, forms, posters, etc. Please let us know if you are interested in receiving any of these documents and we can email them to you!

The Harvest Drive in the Central area will take place at Ft. Lauderdale High School on Thursday, November 15th at our school from 5:00 to 8:00PM. Sorting will be done from 11AM-5PM. PLEASE NOTE: All donations need to be dropped off to FLHS by Friday, November 9th.

Please make checks payable to: FLHS - Harvest Drive. Mail to Fort Lauderdale High School, 1600 NE 4th Avenue, Fort Lauderdale, FL 33305 ATTN: Harvest Drive. All donations are tax deductible 501(C) (3).

On behalf of the Harvest Drive Worker Bees, we thank you for your support of this worthy cause and look very much forward to working together with all of you to accomplish our goal (100-120 families) this year for Broward County Schools!
